Executive Summary

The Badruka School of Management (BSM) is leveraging its growing corporate network and strategic industry partnerships, built upon the 70+ year legacy of the Badruka Educational Society, to enhance internship placements, its mentorship programme, and overall industry relations.

For the summer of 2025, BSM has successfully secured internships for its students for its founding batch with a diverse range of esteemed companies, offering invaluable hands-on experience across various sectors. Additionally, the mentorship programme has attracted top-tier professionals from leading organisations, who will provide students with personalised guidance and valuable industry insights.

BSM's association with the Badruka Educational Society provides access to an extensive network of industry contacts, significantly strengthening the school's ability to cultivate future collaborations and offer students unparalleled networking opportunities.

Badruka School Of Management

A leading business school in Hyderabad, fuelled by a spirit of entrepreneurship and a commitment to excellence
